***Together... We are Creating Opportunities for Students***

Dear Student,

**You've been noticed**, and we want to invite you to participate with hundreds of other talented students during the 2017 season. The Top50jrTour provides students with numerous competitive playing opportunities in several "Tour Zones" across the United States. The National Golf Scholarship Association and the Top50jrTour have combined efforts to provide a great vehicle for students to be recognized, earn scholarships and play free competitive tournament golf.

PGA Golf Professionals, High School Coaches and College Coaches encourage students along with their parents to learn more about the Top50jrTour experience. You will discover that this junior tour is one of the most comprehensive student golf programs in the United States.
