

## Northern Chapter 2011 Points Breakdown Sheet

February 12, 2011

Professionals,

During the 2009 season a proposal was submitted to review the current Northern Chapter Player of the Year points list and the way points are currently awarded.

A review of the points was conducted by the Executive Board along with inputs from the Tournament Chairman and the Northern Chapter Membership.

The following changes have been instituted and are effective for the 2010 tournament season and beyond.

- ❖ *The Executive Board has determined that the Chapter Player of the Year shall be determined solely on scheduled Northern Chapter events. In the past, both Section and Chapter points were awarded to determine this award.*

The Executive Board also makes the following change to determine future Cup Teams:

- ❖ *Both Section and Chapter events points will be combined to determine the top players for the:*
  - *Chapter Challenge Cup Team*
  - *PGA Underwood Cup Team*

The Chapter Player of the Year Points Standings Report will be reconfigured to reflect both Chapter Points (for Chapter Player of the Year) and Chapter/Section Points (for the Cup Team determination).
